## CREEVEY HORRELL JOINS FORCES WITH MCGINNESS & ASSOCIATES

Leading Queensland law firm Creevey Horrell Lawyers has joined forces with Brisbane firm McGinness & Associates in a significant boost to its Crime and Misconduct division.

Creevey Horrell Principal Dan Creevey said Andrew McGinness is one of Queensland's most highly regarded criminal lawyers, with more than 40 years' experience working in criminal and quasi criminal defence. Mr McGinness will continue in his new role as Consultant at Creevey Horrell Lawyers.

"We are delighted that Andrew and his team are joining Creevey Horrell Lawyers in Brisbane," Mr Creevey said.

"Andrew has extensive experience representing clients charged with everything from traffic matters to murder. He is well-respected in the legal fraternity and we look forward gaining his wealth of knowledge."

Mr Creevey said Creevey Horrell Lawyers is determined to offer a point of difference in dealing with criminal justice matters.

"At Creevey Horrell, we are able to help clients across every aspect of criminal and regulatory prosecutions, including matters which are still at an investigatory stage, and we have an enviable track record of achieving successful results," he said.

"Our Crime and Misconduct team deals with matters such as drug and traffic offences, domestic violence and protection orders, weapons licensing issues and workplace health and safety prosecutions, as well as high profile criminal matters.

"We have offices in Toowoomba, Brisbane, Roma, Chinchilla and Townsville and pride ourselves on offering representation to clients in regional areas of Queensland."

Creevey Horrell is a full-service law firm with significant expertise in commercial, property, agribusiness, litigation and dispute resolution. It is one of the only commercial firms of its size in Queensland to also offer personal legal services in crime, family law, personal injury, and wills and estates.
